Dear Parents and Guardians,

Due to the fact that we have food during Catechesis Assemblies we need to be aware of any food allergies that your child may have. This will ensure that your child will remain healthy in the event of your absence.

Please complete this form and return it as soon as possible. We must have one form for each child on record. This is very important to the safety of your child and others.

Thank you for your immediate attention to this matter.

Sincerely,

Tracy Menza  
Director of Religious Education
